EXPLANATORY STATEMENT

As required by Section 173 of the Companies Act, 1956

Item No.7:

Pursuant to the provision of Section 228 of the Companies Act, 1956, the Accounts of the Branches of the Company may be audited otherwise than by Company's Statutory Auditors, provided the Company in General Meeting authorise the Board of Directors to appoint such person or persons who are qualified for appointment as Branch Auditors of the Company under Section 226 and/or 228 of the Companies Act, 1956 for auditing Accounts of the Company's Branches.

The Members had appointed M/s. Brahmayya & Co., Chartered Accountants as Branch Auditors for the State of Andhra Pradesh u/s 228 of the Companies Act, 1956 for the financial year 2008-09, in the Annual General Meeting held on 30th July, 2008.

The Board of Directors in their meeting held on 28th May, 2009 has recommended the re-appointment of M/s. Brahmayya & Co., Chartered Accountants, having their office at Flat No.403 & 404, Golden Apartments,

Irrum Manzil Colony, Somajiguda, Hyderabad – 500 082 to carry out the Branch Audit in the State of Andhra Pradesh for the financial year 2009-10 commencing from 1st April, 2009 at a remuneration to be decided by the Board of Directors in consultation with Branch Auditors plus out of pocket expenses as may be incurred by them. The Branch Auditors will carry out the Branch Audit, Limited Review, Tax Audit and prepare a report on examination of the accounts of the Company's Factories, Projects and Project Offices in the State of Andhra Pradesh and forward their report to the Company's Statutory Auditor, who shall in preparing the Auditors' Report, deal with the same in such manner as they may consider fit and proper.

Further the Members consent is also sought for appointment of Branch Auditors u/s 226 and/or 228 of the Companies Act, 1956, in other State(s), if required, on such terms & conditions, as the Board of Directors may deem fit.

None of the Directors of the Company is concerned or interested in this Resolution.

Your Directors recommend the above resolution at item No.7 for your approval.

Item No.8:

Presently the Non Executive Directors are paid remuneration by way of commission on net profits of the Company not exceeding Rs.10 Lacs in aggregate for a period of 3 years from the financial year 2006-07, in pursuance of the resolution u/s 198 and 309 of the Companies Act, 1956 passed by the Members at the Annual General Meeting held on 31st July, 2006. In addition to the commission on net profits, the Non Executive Directors are entitled to sitting fees for each meeting of the Board or Committees thereof attended by them.

In pursuance of the Members authorisation a commission of Rs.1,42,857/- was paid equally to each Non Executive Director of the Company aggregating to Rs.9,99,999/- for financial year 2006-07 & 2007-08. The commission for the financial year 2008-09 will be paid equally to all the Non Executive Directors of the Company.

Considering increase in the Company's operations and time devoted and responsibilities shouldered by the Non Executive Directors, it is proposed to continue payment of commission, under Section 198 and 309 of the Companies Act, 1956, not exceeding 1% of net profits of the Company or an amount not exceeding Rs.16 Lacs in aggregate, whichever is less, per financial year, for a further period of 3 years commencing from the financial year 2009-10 in terms of the Special resolution at item No.8.

Your Directors recommend the above Special Resolution at item No.8 for your approval.

All the Directors are deemed to be concerned or interested in this Special Resolution.

By Order of the Board of Directors,

S. M. Mandke
Company Secretary

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. INDUSTRY STRUCTURE & DEVELOPMENT:

We all know that water is a prime natural resource and a basic human need for survival and existence. Indeed water is fundamental to our life. In view of the vital importance of water for human, animal & plant life, for maintaining ecological balance and for economic and developmental activities of all kinds and considering its increasing scarcity, the planning and management of this resource and its optimal economical and equitable use has become a matter of national importance.

Your Company has been in the business of manufacturing, laying and jointing of pipelines of various pipe materials such as RCC pipes, Steel pipes, Prestressed Concrete pipes, Penstock pipes, Bar Wrapped Steel Cylinder pipes (BWSC), Prestressed Concrete Cylinder pipes (PCCP) etc., which provide infrastructure facility and development for drinking water supply projects, irrigation projects, Hydro Electric Projects, Sanitation and Sewerage Systems. For the past few years as a part of nation building, your Company has also been undertaking infrastructure development programmes by way of executing on turnkey basis the combined water supply projects i.e. undertaking the complete job of water supply from source to distribution centres which apart from manufacturing, laying and jointing of pipelines included construction of intake well, water sump, water treatment plant, water pumping stations, installation of pumping machineries, electro-mechanical works, branch mains, ground level reservoirs, elevated reservoirs, leading to development of complete system for water supply to various towns and villages of India.

2. OPPORTUNITIES AND THREAT:

The population of the country is expected to reach a level of around 139 Crores by year 2025 (Source :- National Water Policy 2002) which will further aggravate the scarcity of water to the people of India. As it is with the growing population demanding more food, more products and higher standards of living, the shortage of drinking water can only get worse. Thus there is a vast scope for improvement in Infrastructural developmental activities in water supply, drainage scheme, sewerage scheme in sanitation segments leading to good scope for Company's manufacturing & contracting activities in this field.

Growth of population and the expansion of economic activities inevitably lead to increasing demands for water for diverse purposes i.e. domestic, industrial, agricultural, hydro-power, thermal power, navigation, recreation etc. Domestic and Industrial water needs have been largely concentrated in or around major cities, however the demand in rural areas is expected to increase sharply as the development programmes of State Governments improve the economic conditions of the rural mass. Demand for water for hydro and thermal power generation and for other industrial uses is also increasing substantially. As a result water which is already scarce will become even scarcer in future. This underscores the need for the utmost efficiency in water utilisation and its distribution. Through awareness of efficient water supply system and water quality, we can keep our water supply adequate and provide clean & healthy water for our children. It is their fundamental right. Hence there is a good scope for many water supply projects coming up in near future and this auger well for your Company.

Increased competition from medium/large scale construction entities and availability of substitutes such as alternative pipe materials like ductile iron pipes, spirally welded steel pipes, G.R.P. and H.D.P.E. pipes are perceived as one of the threat / competition to your Company. Another cause is prices of key raw materials namely steel,

steel wires, HT wires and cement which had remained high in the first three quarters of the year under review resulting into considerable shrinkage of margins on orders secured on 'firm prices.' In respect of orders having escalation provision, but linked to Whole Sale Price Index, (WPI), the price escalation has fallen short of full recovery due to WPI not rising in direct proportion to the price increase.

3. SEGMENT-WISE ACTIVITY:

The Company is considered a pioneer in the field of water industry, it being in this line for last more than 82 years. The Company's presence is there in almost all water supply related activities, viz. Urban & Rural Water Supply, Penstock for Hydro Power Generation, Tunnel Lining, Large diameter Irrigation pipelines, Head Works including pumping machinery, Treatment Plants, Overhead Tanks and other allied Civil Construction. The Company also supplies concrete Railway sleepers to Indian Railways. The segment wise report is as under :

The same work was completed and commissioned during the year.

(C) Railway Sleepers:

The Company has received an order from Railway Board for 1,96,000 Nos. sleepers amounting to Rs.2,218.72 Lacs.

The aforesaid work is progressing well. The Company has manufactured 71,033 concrete sleepers during the year amounting to Rs.754.52 Lacs.

These Sleeper supplies are regulated by North Central Railway.

(D) Bar Wrapped Steel Cylinder (BWSC) Pipes:

Your Company has introduced a new pipe i.e. "Bar Wrapped Steel Cylinder pipes" (BWSC) as an alternative pipe material mainly to M.S. and D.I. pipes. These BWSC pipes were introduced in different States as a trial and now this pipe material has become popular among various Government authorities.

Initially the Company started manufacture of BWSC pipes duly incorporating modifications at its existing PSC pipe plants and looking to the increased demand, the Company specially set up a new plant in December, 2005 at Choutuppal in A.P. for manufacturing BWSC pipes wherein the Company achieved much better productivity. During the year 2008-09, the Company has produced 96 Kms. of pipes in Choutuppal plant valued at Rs.4,876.99 Lacs. During the year under review the Company as a whole produced BWSC pipes valued at Rs.12,178 Lacs as against Rs.7,687 Lacs last year.

During the financial year 2008-09, the Company has received orders worth of Rs.11,364.10 Lacs for BWSC pipes alongwith other civil works. The Company has commissioned its new plant to manufacture BWSC pipes at Chillamathur in A.P. in March, 2009 to cater to the increased demand for these pipes.

(E) National Rifle Division:

The National Rifle Division, at Ahmedabad has recently introduced two new models namely 0.177 "Compressed Air Rifle" and 0.177 "Compressed Air Pistol" to enable shooters to acquire efficiency in target shooting and gain recognition in the State and National and International shooting competitions. The response is very good and shooters are very happy with the performance of the two models. The Company is already manufacturing 8 types of air rifles and air pistols for last more than 20 years and are marketed by our reputed Distributors all over India.

Compressed Air Rifle and Air Pistol

4. Outlook:

The political stability at the Centre and in States which is very vital for the economic progress of the Country is becoming a reality as emerging from the outcome of the results of recently concluded Parliamentary and State Assembly elections. The States and Central Government are giving more emphasis on infrastructure development in the country. Water supply has always been a very important infrastructure activity for any populous location. For urban & rural water supply projects the main customers have always been Public Health Engineering Department and Panchayat Raj Engineering Department of various State Governments, Corporations, Municipalities, Water & Sewerage Boards, etc. There is huge potential for water supply, sewage disposal, head works, treatment plants etc. In urban areas more than 40% of the population does not have access to drinking water while in rural area more than 60-65% of the population does not have access to drinking water. Considering the above factors, outlook for the Company in the water supply, drainage and sewerage segments are encouraging and good.

5. Risks & Concerns:

The Company's activities and prospects largely depend on the implementation of various water supply related projects undertaken by various State / Central Government Agencies. The Company is doing the business with various State Governments and it depends upon their policy on approval of finance and allocation of funds as well as their ability to raise funds to undertake such water supply projects amongst various infrastructure related projects being implemented by them. Adverse changes and lack of funds delays the works resulting in higher cost and can also affect the business prospects of the Industry and the Company. Severe competition from the manufacturers of alternative pipes like Ductile Iron, Glassfibre Reinforced Plastic, PVC, H.D.P. E. and Spirally Welded Steel pipes is existing and can affect Company's business prospects.

During the first nine months of the year under review, the prices of the Company's key raw materials i.e. steel and cement remained high. There was a sudden increase in the prices of steel in International and Domestic market. However in the last quarter of the year under review the prices of key raw materials had decreased

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

- (i) The prices of mild steel wire rods went up approximately from Rs.38,000/- per M.T. to Rs.55,200/- per M.T. showing an increase of about 45% in the price.
- (ii) The prices of steel plates went up approximately from Rs.41,200/- per M.T. to Rs.57,700/- per M.T. showing an increase of approximately 40% in the total price of steel particularly in Hot Rolled Coils and Hot Rolled plates.
- (iii) The prices of H.T. wire went up approximately from Rs.34,200/- per M.T. to Rs.52,000/- per M.T. showing an increase of approximately 52% in the basic price of H. T. wire.
- (iv) The prices of cement went up approximately from Rs.4,300/- per M.T. to Rs.5,100/- per M.T. showing an increase of approximately 18% in the total price of cement.

Volatility in the prices of key raw materials especially steel has become a major area of concern for your Company.

6. Internal Control Systems:

The Company has adequate internal control procedures commensurate with its size and nature of business that ensures control over various functions of the organisation. The internal control system provides for guidelines, authorisation and approval procedures.

The internal audit reports, post audit reviews are carried out to ensure compliance with Company's policies and procedures.

7. Financial Performance with respect to Operational Performance:

For the year ended 31st March 2009, the Company has achieved an adjusted turnover of Rs.66,534.80 Lacs as compared to last year's adjusted turnover of Rs.45,180.13 Lacs. The profit before tax & before prior year's charge is Rs.3,341.36 Lacs as against Rs.2,256.90 Lacs achieved last year. The Company has good order book position of Rs.1,49,851.59 Lacs as on 31st March, 2009 as compared to Rs.1,13,952.23 Lacs in the previous year.

8. Human Resources and Industrial Relations :

The Company has total strength of 1482 employees as on 31st March, 2009 working at various locations such as Factories / Projects / Head Office and Research & Development Department.

The management has successfully negotiated and settled the demands of workmen working at its factories at Hyderabad, Kekri and Vatva.

In consideration with overall market conditions and increase in Consumer Price Index figure, the Company had revised salaries of monthly rated staff w.e.f.1st August, 2008.

The Company has appointed Sr. Manager - Training & Development for arranging in-house Training Programmes / Seminars/ Workshops for employees working at various factories & projects for giving training on the topics related with improving quality of our products, supervisory skills & industrial safety, preventive maintenance, etc. and make them well-equipped with the required knowledge to enable them to take more responsibilities at various positions. Training programmes for the engineers were conducted at Company's factories at Vadgaon and Thanjavur.

Similarly to have awareness about Industrial Safety measures at work places, training programmes were arranged at Vadgaon, Miraj and Kanhan factories.

The industrial relations with the workmen at various units of the Company were by and large peaceful and normal.

9. Corporate Social Responsibility:

In keeping with the noble and rich tradition of charity inculcated by our founder Late Seth Walchand Hirachand an Industrialist and a Legendary, Visionary and Philanthropist of his era, the Company had donated Rs.50 Lacs in 2004-05 as corpus donation to the Ratanchand Foundation, a trust promoted and sponsored by the Promoters of the Company, for carrying out charitable activities such as Educational Grant to needy students and Institutions, Medical Aid to the patients as well as to the Hospitals / Charitable Trusts and donation of costly medical equipments to the hospitals.

Anesthesia Machine

Lacs was donated to Lokmanya Tilak Municipal Medical College & General Hospital, Sion, Mumbai (LTMG Hospital, Sion).

Similarly, the Walchand Foundation, a trust promoted and sponsored

Ventilator System

by the Promoters of the Company has provided Educational Grant to 72 students and Medical Aid to 16 patients and also donated Ventilator System costing Rs. 9.62 Lacs to LTMG Hospital, Sion.

In all, these Foundations had donated over Rs.50 Lacs towards charitable

purpose during the financial year under review.

10. Cautionary Statement:

Statements in this Mahnagement Discussion and Analysis Report describing the Company's objectives, projections, estimates and expectations may be 'forward looking statements' within the meaning of applicable laws and regulations. Actual results might differ substantially or materially from those expressed or implied. Important developments that could affect the Company's operations include a schedule of implementation of various water supply related projects undertaken by various State / Central Government Agencies, significant changes in political and economic environment in India, exchange rate fluctuations, prices and availability of key raw materials like steel and cement, tax laws, litigation, labour relations and interest costs.

The Company has a separate Research and Development Division situated at Govandi in Mumbai, which is recognised by the Ministry of Science & Technology, Department of Scientific and Industrial Research, Government of India, New Delhi.

(1) Specific areas in which R & D carried out by the Company are the following :

- New Product Development
- Import Substitution
- Technology Up-gradation
- Evaluation of Alternate Raw-materials
- Designing and Improving manufacturing process and quality of products
- Improvement of Designs of Plant and Machinery

(2) Benefits derived as a result of the above R & D :

Research & Development provide valuable support to the business through innovation of new products and process, which are transferred to the factories / project works.

(3) Future Plan of Action :

The Company endeavors to continue research on areas set out in (1) above :

(4) Expenditure on R & D :

The total expenditure on Research & Development during the year was Rs.182.88 Lacs (0.28% of the turnover) as compared to Rs.153.31 Lacs (0.34% of the turnover) of previous year.

(B) TECHNOLOGY ABSORPTION, ADAPTATION AND INNOVATION

1. Efforts, in brief, made towards technology absorption, adaptation and innovation.

A N D

2. Benefits derived as a result of the above efforts are as under :

- a) A Trough was developed to feed cement mortar mix in the pipe for lining of M.S. / BWSC pipes. The trials were continued in Company's Raipur factory for lining of 1700 mm dia and 1400 mm dia Mild Steel pipes and the results were satisfactory.
This development helped the Company in reducing feeding time of cement mortar in pipe which helps in improving the productivity. This similar arrangement of trough has been installed recently at Company's new plant at Chillamathur in Andhra Pradesh.
- b) Plastic sheets of 18 micron thick were used as a shrink wrap film for wrapping on cement mortar coating on the pipes immediately after coating operation is carried out. This helps to retain the moisture in cement mortar and to attain the required strength of cement mortar without doing water / steam curing. The trials were conducted in Company's Raipur factory for 1700 mm dia and 1400 mm dia M. S. pipes and the results were satisfactory and this practice is being continued. This type of curing of pipe is much beneficial where there is scarcity of water curing.
- c) R & D Division has installed a new plant at Chillamathur in Andhra Pradesh where PSC, BWSC and M.S. pipes can be manufactured. The BWSC plant has been installed to manufacture pipes of larger length up to 10.5 mtr. and the trials will be taken during the current financial year.
- d) A Hydraulic Testing Machine (Dummy type) had been put in to use to test M.S. pipes of various diameters and length without using testing plates at Company's Raipur plant. So far 2394 pipes of 1700 mm dia x 6 mtrs. length and 572 Nos. of 1400 mm dia x 6 mtrs. length M.S. pipes have been tested. The quantum of water required for filling the pipe in this machine is very less than conventional testing machine, thereby reduces time and increase the productivity.

AUDITORS REPORT

To the Members of

The Indian Hume Pipe Company Limited

We have audited the attached Balance Sheet of The Indian Hume Pipe Company Limited as at 31st March, 2009, the Profit and Loss Account and also the Cash Flow Statement for the year ended on that date annexed thereto. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As required by the Companies (Auditor's Report) Order, 2003 as amended by Companies (Auditor's Report)(Amendment) Order, 2004 issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Companies Act, 1956, we enclose in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the said Order.

Further to our comments in the Annexure referred to above, we report that:

- (i) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (ii) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books. The Branch Auditor's Reports have been forwarded to us and have been appropriately dealt with in this report;

- (iii) The Balance Sheet, Profit and Loss account and Cash Flow Statement dealt with by this report are in agreement with the books of account and with the audited returns from the branches;
- (iv) In our opinion, the Balance Sheet, Profit and Loss account and Cash Flow statement dealt with by this report comply with the accounting standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956.
- (v) On the basis of written representations received from the directors, as on 31st March, 2009, and taken on record by the Board of Directors, we report that none of the directors is disqualified as on 31st March, 2009 from being appointed as a director in terms of clause (g) of sub-section(1) of section 274 of the Companies Act, 1956;
- (vi) In our opinion and to the best of our information and according to the explanations given to us, the said accounts give the information required by the Companies Act, 1956, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India;
 - a) in the case of the Balance Sheet of the state of the affairs of the Company as at 31st March, 2009;
 - b) in case of the Profit and Loss account, of the profit for the year ended on that date; and
 - c) in the case of Cash Flow statement, of the cash flows for the year ended on that date.

ANNEXURE TO AUDITORS REPORT

Re: The Indian Hume Pipe Company Limited

Referred to in paragraph 3 of our report of even date,

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Fixed Assets.
- (b) Fixed assets have been physically verified by the management during the year. In our opinion the frequency of such verification is reasonable having regard to the size of the Company and the nature of its fixed assets. No material discrepancies were noticed on such physical verification.
- (c) The fixed assets disposed off during the year were not substantial. According to the information and explanation given to us, we are of the opinion that the disposal of the fixed assets has not affected the going concern status of the Company
- (ii) (a) The inventory has been physically verified during the year by the management at reasonable intervals.
- (b) The procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) The Company is maintaining proper records of inventory. The discrepancies noticed on verification between the physical stocks and the book records were not material.
- (iii) (a) The Company has not granted any loans, secured or unsecured to the companies, firms and other parties covered in the register maintained under section 301 of the Companies Act, 1956. Accordingly sub clause (b),(c) and (d) are not applicable.
- (b) The Company has not taken any loans, secured or unsecured from the companies, firms and other parties covered in the register maintained under section 301 of the Companies Act, 1956. Accordingly sub clause (f) & (g) are not applicable.
- (iv) In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business, for the purchase of inventory and fixed assets and with regard to the sale of goods and services. During the course of our audit, we have not observed any continuing failure to correct major weaknesses in the internal control system.
- (v) According to the information and explanations given to us, there were no contracts or arrangements that needed to be entered in the register maintained under section 301 of the Companies Act, 1956. Accordingly sub clause (b) is not applicable.
- (vi) In our opinion and according to the information and explanations given to us, the Company has complied with provisions of sections 58A and 58AA or any other relevant provision of the Companies Act, 1956 and the Companies (Acceptance of Deposits) Rules, 1975 with regard to the deposits accepted from the public. As informed to us, no order has been passed by the Company Law Board, National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal.
- (vii) In our opinion, the Company has an internal audit system commensurate with its size and nature of its business.
- (viii) We have broadly reviewed the books of account relating to materials, labour and other items of cost maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under section 209 (1)(d) of the Companies Act, 1956 and we are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the records for determining whether they are accurate or complete.
- (ix) (a) The Company is generally regular in depositing with appropriate authorities, undisputed statutory dues including Provident Fund, Investor Education and Protection Fund, Employee's State Insurance, Income Tax, Fringe Benefit Tax, Sales Tax, Wealth Tax, Service Tax, Custom Duty, Excise Duty, Cess and any other material statutory dues applicable to it and there are no arrears outstanding as at the year end for a period of more than six months from the date they became payable.
- (b) According to the records of the Company, there are no dues of Sales Tax, Income Tax, Fringe Benefit Tax, Customs Duty, Wealth Tax, Service Tax, Excise Duty, Cess which have not been deposited on account of any dispute other than those detailed below:

NOTES TO THE ACCOUNT

SCHEDULE R

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO AND FORMING PART OF ACCOUNTS

I SIGNIFICANT ACCOUNTING POLICIES:

1 Method of Accounting

The Financial Statements have been prepared and presented under the historical cost convention on accrual basis of accounting in accordance with the accounting principles generally accepted in India and comply with the mandatory Accounting standards ("AS") issued by the Institute of Chartered Accountants of India to the extent applicable and with the relevant provisions of the Company Act, 1956.

2 Revenue Recognition

A. Work Bills

(I) Construction Contract Accounting & Contract-Work-in-Progress

- a. Sales/Work Bills (Gross) represent running Bills raised against Value of the Work done either to the extent certified and paid for by Contractees or on completed works as per (d) below:
- b. Advances against Work in Progress received from Contractees are presented as a reduction from the Contract Work in Progress.
- c. Retention Monies on uncompleted Contracts are presented as Contract-Work-in-Progress.
- d. Sundry Debtors include work bills and work retention receivable on completed contracts.

(II) Construction Contracts which commenced on or after 1st April 1999

- a. Revenue arising therefrom is recognised in proportion to the stage of completion of work at the end of the accounting period in accordance with Accounting Standard-7 (revised): Accounting for Construction Contracts.
- b. The Percentage of Completion is applied by calculating the proportion that contract revenue to date bears to the total contract value and adjustments are made to include only those costs that reflect work performed.
- c. Contract-Work-in-Progress includes inventories against contracts at Factory, Laying Sites and Civil Works and represents the value of the work done not certified or not paid for by Contractees and are valued at Contract Price or at Proportionate Contract Price based on the equivalent stage of completion as estimated by Management inclusive of relevant excise duty.
- d. Provision is made for future losses and estimated costs of post-works maintenance and warranties as per contractual terms.

B. Sales (Other than Construction Contracts)

- a. Sales of Goods - mainly consist of sale of manufactured pipes/sleepers and sale of Air Rifles, Air Pistols and Accessories and Parts and Technical Knowhow.
- b. Revenue from such sales is recognised on despatches of goods from the factory.
- c. Sales are inclusive of excise duty.

3 Claims

Expenditure incurred in respect of additional costs/delays on contracts are accounted for in the year in which these are incurred. Claims made in respect thereof are accounted as income in the year of acceptances by the clients or evidence of acceptance received from the clients.

4 Export/Deemed Export Benefits

Cash compensatory support or export/deemed export related benefits on the works executed/under execution are accounted on confirmation/acceptance of such claims by relevant authorities and approved for payment.

5 Accounting for Joint Venture Contracts

Contracts executed in Joint Venture, since there is no deployment of common resources and sharing of revenue are accounted on the basis similar to those adopted for contracts independently executed by the company.

6 Fixed Assets

- a. Fixed Assets are stated at cost including CENVAT wherever applicable, less depreciation and provision for impairment of losses, if any.
- b. Self constructed/manufactured assets are capitalised at cost including appropriate overheads.

NOTES TO THE ACCOUNT

7 Depreciation

Depreciation on the assets has been provided on Written Down Value Method on pro-rata basis as per the rates prescribed in Schedule XIV to the Companies Act, 1956.

8 Impairment

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors. An impairment loss will be recognised wherever the carrying amount of an asset exceeds its estimated recoverable amount. The recoverable amount is greater of the asset's net selling price and value in use. In assessing the value in use, the estimated future cash flows are discounted to the present value at the weighted average cost of capital. After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life. Previously recognised impairment loss is further provided or reversed depending on changes in circumstances.

9 Research and Development

Revenue expenses on research and development are charged to Profit & Loss Account and Capital Expenditure are included in fixed assets under relevant assets and depreciated on the same basis as other fixed assets.

10 Investments

Long term investments are stated at cost less provision for decline in the value, other than of temporary nature. Current investments are valued at cost or market value whichever is lower.

11 Inventories: Stock in Trade & Work-in-Progress

- a. The stock of raw materials, stores, bought-outs and fuel are valued at cost on FIFO basis or net realisable value whichever is lower.
- b. Certain items of Pipe Laying and Auxilliary Equipments are classified as Current Assets and 95% of their original cost is amortised equally over a period of five years.
- c. Finished Goods including bought-out items not allocated to any particular contracts are valued at lower of cost on absorption method (inclusive of relevant estimated excise duty) or market value.
- d. Work-in-Progress represents work done against Long Term Construction Contracts commenced before 1st April 1999 and is valued at lower of cost or market value in case of inventories as per Accounting Standard 2 - Valuation of Inventories: application of this policy has been discontinued as detailed in Item 2 (A) of Significant Accounting Policies.
- e. Goods-in-process are valued at contract rates or cost whichever is lower.
- f. Products of the National Rifle Division at Vatva are valued as follows:
 - i) The Stock of Raw Materials, Stores, Bought-outs and fuel are stated at cost on FIFO basis or net realisable value whichever is lower.
 - ii) Finished goods are valued at lower of cost or net realisable value and are inclusive of relevant estimated excise duty.

12 Employee Benefits

i) Voluntary Retirement Scheme Compensation

Compensation payable on Voluntary Retirement Scheme is amortized over a period of sixty months on pro-rata basis.

ii) Defined Contribution Plan

Company's Contribution paid/payable during the year to Provident Fund, ESIC and Labour Welfare Fund are charged to Profit & Loss Account. There are no other obligations other than the contribution payable to the respective trusts.

iii) Defined Benefit Plan

- a. Gratuity and leave encashment : Company's liabilities towards gratuity and leave encashment are determined using the projected unit credit method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Past Services are recognised on a Straight Line basis over the average period until the amended benefits becomes vested. Actuarial gain and losses are recognised immediately in the statement of Profit & Loss Account as Income or Expense. Obligation is measured at the present value of estimated future cash flow using a discounted rate that is determined by the reference to market yields at the Balance Sheet date on Government bonds where the currency and terms of Government Bonds are consistent with the currency and estimated terms of the defined benefit obligation.
- b. Provident Fund : The eligible employees of the Company are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and the company make monthly contributions at a specified percentage of the covered employees salary (currently 12% of employees salary). The contributions as specified under law paid to provident fund and pension fund set up as irrecoverable trust by the Company or to respective Regional Provident Fund Commissioner and the Central

NOTES TO THE ACCOUNT

Provident Fund under the State Pension Scheme. The Company is generally liable for annual contributions and any shortfall in the fund assets based on government specified minimum rates of return of provident fund and recognises such contributions and shortfall, if any, as an expense in the year incurred.

- iv) Other Benefits : Compensated absences for sick leave are provided for based on actuarial valuation. The actuarial valuation is done as per projected unit credit method.

13 Taxation

Income Tax expenses comprise of current tax, deferred tax charge/credit and Fringe Benefit Tax. Current Tax is recognised on the basis of taxable income determined in accordance with the provision of the Income Tax Act, 1961.

The deferred tax credit/charge is recognised on all timing differences subject to consideration of prudence, applying the tax rates that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however where there is unabsorbed depreciation or carried forward loss under taxon laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets/liabilities are reviewed as at each balance sheet date based on developments during the year and available case law to re-assess realisation/liabilities. Provision for FBT has been recognised on the basis of a harmonious, contextual interpretation of the provisions of the Income Tax Act, 1961.

14 Earning per Share

In determining operating and total earnings per share, the Company considers the operating net profit after tax and effect of any extra ordinary items (net of tax). The number of shares used in the computing basic earning per share is the weighted average number of shares outstanding during the period.

15 Management Estimates

The Financial Statements are prepared in conformity with generally accepted accounting principles and applicable accounting standards, which may require management to make estimates and assumptions. These may affect the reported amount of assets and liabilities and disclosures of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting periods.

16 Contingencies and Provisions

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources embodying economic benefit will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate of the expenditure required to settle the obligation at the balance sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate.

A contingent liability is disclosed, unless the possibility of an outflow of resources embodying the economic benefit is remote.

Contingent liabilities are disclosed after careful evaluation of the facts and legal aspects of matter involved.

NOTES

1. BUSINESS SEGMENTS

The Company has considered "business segment" as the primary reporting segment for disclosure. The products included in each of the reported domestic business segments are as follows:

- Construction contracts including water supply schemes, pipes supply & laying projects
- Others include Railway Sleepers, Air Rifles and Technical Know How.

Segment revenue relating to each of the above domestic business segments includes income from services provided, where applicable. The above business segments have been identified considering:

- The nature of products & service
- The differing risks & returns

2 There are no inter segment sales.

3 Since the company does not have any significant business outside India there are no reportable geographic segments.

16 The Income Tax Appellate Tribunal (ITAT), Mumbai in November, 2008 has allowed the Company's claim U/s 80IA of the Income Tax Act, 1961 for the Financial Year 2002-03. This resulted in Income Tax Refund of Rs.398.53 lacs plus interest of Rs.122.85 lacs. However, since the IT Dept. has preferred an appeal to Bombay High Court against ITAT, Mumbai's similar order in another case; as a matter of abundant caution, the Company has created "General Reserve No.II" equivalent to Income Tax Refund. In the eventuality of IT Dept. filing an appeal against the ITAT Order and succeeding, this reserve will be utilised. The Income Tax Provisions for the financial years 2003-04 to 2008-09 are without considering benefits U/s 80IA of the Income tax Act, 1961.

17 Figures for Previous Year have been regrouped, wherever necessary.
